

# BKG Information for control unit

## BKG type

BKG no. : **and/or** Motor no.:

---

## Other lift

### General information :

Stops / doors : /

Capacity : kg

Speed: m/s

Travel height : mm

Drive type : Motor position :

---

Connectoin voltage : x V Hz with N

---

### Controller board :

Position of controller :

External controller cubicle :

### Motor data :

Power : kW

Circuit: Star Delta

Nominal current: A

Starting current : A

Frequency : Hz

Ptc-resistor:

### Brake unit :

Power : VA

Voltage : V DC

Nominal current: A

### Retiring cam:

Power : VA

Voltage : V DC

Nominal current: A

### Additional information:

---

To be filled by BKG : Stromlaufplan : S-13.3. **WK-Nr.:**  
Zusatz-Stromlaufplan : Z-13.4.  
Motoschutzschalter : A  
Schalttafelgröße :
